

Curriculum Vitae

Personal Information

- **Name:** Amit Kumar Sah
- **Email:** kumarsah992@gmail.com
- **Phone:** +91 9073189519
- **Location:** Kolkata, West Bengal

Professional Summary

Motivated software developer with 1 year of hands-on experience in SQL and PL/SQL. Skilled in designing, developing, and optimizing database solutions. Strong knowledge of Java (Core & Advanced) and frameworks such as Spring Boot, Spring MVC, Hibernate, and Spring Security. Adept at building scalable applications and contributing to innovative projects.

Technical Skills

- **Databases:** SQL, PL/SQL, MySQL, PostgreSQL
- **Programming Languages:** Core Java, Advanced Java, Python
- **Frameworks & Tools:** JDBC, Spring JDBC, Hibernate, Core Spring, Spring Boot, Spring MVC, Spring Security, Spring Data JPA, REST using SpringBoot, Spring Data REST, RESTful APIs, JWT, OAuth2.
- **Frontend:** Angular, React
- **Other Skills:** Object-Oriented Programming, Docker, Git

Professional Experience

Production Support Engineer (SQL/PLSQL) at TCS — Kolkata - September, 2024 – Present

- Provided 1 year of production support for SQL and PL/SQL applications in a live environment
- Monitored and resolved database-related issues, ensuring high availability and minimal downtime
- Analyzed and optimized queries, procedures, and triggers to improve system performance
- Collaborated with application development teams to troubleshoot and fix defects in production.

Education

- Master of Computer Application - M.A.K.A.U.T — 2024 – 8.38 (DGPA)
- Bachelor of Science (B.Sc) in Computer Science - Calcutta University — 2022 – 79.54%

Strengths

Quick learner with strong problem-solving skills, an effective communicator and team player, passionate about exploring new technologies.

Looking forward to applying my skills in SQL, PL/SQL, and Java frameworks to deliver impactful solutions.

Kolkata: 28th Dec, 2025
